Bronchitis, asthma, obstinate, deep-sested coughs, bleeding of the tungs, and other forms of disease which affect the respiratory organs, are permanently cured by the use of "Golden Medical Discovery."

You want LION COFFEE because it is LION COFFEE. If, on the other hand, you want a coffee which, in order to hide imperfections, is "highly

polished" with eggs and other preparations, then do not buy LION COFFEE.

If LION COFFEE were common, ordinary stuff, coffee drinkers would'nt insist on having it. It is used in millions of homes because it is the best coffee in the world for the price. If you doubt this, take a single package home and try it.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or giri will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).
